

New Urban Arts
Student Grades and Test Score Release Form

Dear New Urban Arts parent or guardian.

This 2008-2009 programming year, New Urban Arts is generously funded by the Rhode Island Department of Education, 21st Century Community Learning Center Initiative. In order to comply with our 21st CCLC grant, we must access New Urban Arts students' grades (fall and spring) and test scores (Math and English) and relate them to their attendance in our programs.

This information is then sent to the Rhode Island Department of Education and tallied together with over 7,000 Rhode Island young people in 21st CCLC programs throughout the state. **Your child's grades and test scores will remain confidential at New Urban Arts.** Your child's name will NOT be given to the state. We will send an aggregate number with NO NAMES attached.

By signing this consent and release form, I give the Providence School Department permission to release my child's grades and test scores for this school year (08-09) to New Urban Arts.

I understand that by giving consent, New Urban Arts may use this information anonymously to secure future funding for our free after-school arts mentoring programs and give voice to positive youth development programs in the state of Rhode Island. At no time will my child's name and or individual academic information ever be released or shared by New Urban Arts.
