In-Kind Donation Wish List (revised 1/18/2017)

New Urban Arts is a nationally recognized art studio and gallery for high school students and emerging artists. Our mission is to build a vital community that empowers young people as artists and leaders to develop a creative practice they can sustain throughout their lives. As a community based organization, we depend on the generous support of volunteers and donors in order to provide our programs to our city’s youth.

Interested in making an in-kind donation? Thank you for thinking of us! Please read through our list of accepted and not accepted goods. Call us at 401-751-4556 for more information or to discuss your donation of a material or supply. We kindly ask that all in-kind donations be approved by a staff member before drop off. Please be aware that we have limited space and specific program needs, so we want to make sure that we can put your donated item to good use! If we are unable to accept a gift because it does not meet our criteria, we’re happy to point you in the direction of other local organizations that may benefit from your donation.
