In the depths of our minds,
Lies what we all deny...

Ignorance.

We rely on what we know, but believe what's not to see.

Is it a message to society?

Maybe a cry for help?

This blissful ignorance drags along,

As we maintain our sense of dignity.

Is it a form of self conduct ?

Or a self illustration of affliction...?

I don't know..

And don't want to, because for now

It is my release.

And for you to figure out .

Maybe you'll love me,
like the wolf with the moon
Shining, desperate, beautiful

Yes, the wolf was beautiful
and the trees were Hallowed and the
world seemed to be entranced by itself.
Listening to its own heart
beat, breathing the air within.
breathing out with relief
Expelling all the negative
from their leaves,

like us with our lives.
We'll run it constantly.
Like our worst nightmare
or our favorite dream, but perception
is the death and birth of us all
a spring awakening
open your eyes
Open your mind
Take it all in

Spring Air hasn't been strong
enough to melt the grey,
ashen snow that was once pure white.
It has melted away and all that remains
is your golden ichor from you,
golden goddess.
Beautiful without compare
Eyes of silver, heart of gold
and an innate desire to become the king
in my blood.
growing as Loud, loud as thunder
roaring and rumbling about
it's vibrations shaking down to my
bones, my being,
My earth.
you my beautiful air
My beautiful earth
entranced in the beauty of time
